Description

The Personnel Department is governed by the Civil Service Commission as authorized by the City Charter. The main responsibilities of the Personnel Department are to provide supervision over the selection, promotion, and removal of all classified employees and maintain a competitive merit system that provides equal opportunity for all applicants.

The Personnel Department consists of eight sections: Certification/Payroll Records; Classification and Compensation; Exam Management and Recruiting; Equal Employment Investigations Office; Liaison; Organizational Management and Personnel Administration; Information Systems/NEOGOV, and Services and Administration. The Certification/Payroll Records Section reviews Citywide payroll, maintains confidential records of all City employees, and certifies eligible lists to the hiring departments. The Classification and Compensation Section conducts classification and maintenance studies and performs salary studies to evaluate special salary adjustment requests pursuant to City Charter Section 130. The Exam Management and Recruiting Section promotes employment opportunities for the City, reviews and evaluates employment applications, and administers examination processes. The Equal Employment Investigations Office investigates complaints of discrimination and harassment made by City employees, applicants, volunteers, and contractors. The Liaison Section provides advice and assistance to employees, supervisors, and City management regarding a wide variety of personnel issues requiring knowledge and interpretation of the City Charter, Civil Service Rules and Personnel Regulations, Memorandums of Understanding, Administrative Regulations, and applicable federal and state laws. The Organizational Management and Personnel Administration Section manages positions and the organizational structure of the City and maintains employee master data. The Information Systems/NEOGOV Section manages the functional and technical aspects of the software used to recruit and track City applicants, and creates official identification cards for City employees. The Services and Administration Section provides budget and administrative support to all other sections in the department and coordinates the Civil Service Commission monthly meetings and disciplinary appeal hearings.

Since its inception in 1915, the Civil Service Commission has been committed to preserving a merit system that provides equal employment opportunity through the ethical and consistent application

of Civil Service Rules. The Personnel Department has, and will continue to, proactively offer the highest quality personnel services to meet and support the needs of its customers to develop a diverse and productive workforce.
